

CRM module for window and door companies

V6 CRM
As Easy as ABC!

What is happening in your customer's business that needs your attention now?

The screenshot shows the V6 CRM interface. At the top, there's a menu bar (File, Edit, Search, Tools, Help) and a toolbar. Below that is a calendar view for the week of March 1st to 7th, 2007. The calendar shows activities for 'Aluminium Windows' and 'Paul'. Below the calendar is a list of reminders for '6 March' with columns for 'Reminder', 'Reason', 'Reference', 'Description', and 'Time'. A detailed view of '6 Mar 2007 actions for Sean' is shown on the right, listing tasks like 'G Watson Construction Annual Review' and 'DRH Ltd: Quote 1456 completed 2 days early'.

Do you know who has been contacted today?

Automatic notifications when jobs have finished production.
